

# HORNBAKER GARDENS CUSTOMER APPRECIATION Days OCTOBER 6 & 7

www.hornbakergardens.com  
email: mail@hornbakergardens.com  
22937 1140 N. Ave., Princeton, Illinois 61356  
(815) 659-3282

Open Monday through Saturday, 8:00 to 5:00,  
through October 10, 2017.

## Come on out and let us say “Thank you”, once again, for a wonderful season.

On the last Friday and Saturday of the season, October 6 and 7, we will fire up the grill and feed you lunch – brats, dogs, butterfly pork chops and hamburgers-between 10:30 and 2:00.

**Fall planting & decor:** Fall is a great time for planting, and we still have a good selection of trees, shrubs, perennials and grasses. Take advantage of our fall sale prices to get some great plants in the ground. You will also find beautiful fall plants

and decorations in stock including mums, ornamental peppers, Celosia, Asters, Flowering Kale, pumpkins and gourds.

**Pottery & Granite on sale:** For these two days only, all pottery will be 25% off (excluding pebble pots) and granite will be 10% off.

**Artisan Market:** Thanks to all who joined us for the 5th annual Artisan Market. What a wonderful crowd! Next year’s date: Saturday, September 15.

### Stream Makeover

Dave really had his creative juices flowing this summer. After transforming the Hosta Ravine, he tackled the stream in the front yard, rebuilding it with large boulders and some exciting new features. Chief among them is the Land Bridge, a bridge that allows you to cross the stream on a grassy walkway. Next to the Land Bridge is the Beach, a place for toddlers to get sand in their diapers and get soaking wet before you haul them home. How exciting is that!

Upstream a ways is the Stump and Boulder Crossing. The young and the young at heart will get a kick out of stepping from stump to boulder across the flowing water.

We have planted a few conifers in the gardens around the stream, and will be filling in around them with perennials this fall and next spring. Despite the drought late this summer, the new grass around the stream is doing well, so you can enjoy it yet this season.

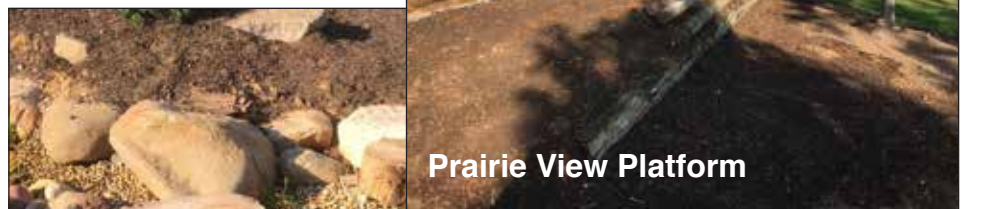

Dave and the crew are already working on the next project, a children’s play area west of the Land Bridge. More on that next spring.

### Prairie View

A sudden inspiration in Dave’s head, a pile of dirt, some telephone poles, and some wooden planks turned into the Prairie View Platform one recent afternoon. It’s a great place to get five feet above ground level and look down upon the Prairie. We are letting the dirt and poles settle before we secure it all together and seed it down, but it should be ready for use next spring.
