

# Hostas 2022

**Size:** After the name of each hosta, we have listed the size of the plant, based upon average mature clump height (5+ years). Mature hosta width is generally about 2 to 2.5 times the mature height, although this ratio can vary significantly depending on growing habit and growing conditions.

**Height** of mature plant:

[Mini] = Mini, up to 8"

[S] = Small, 9"-14"

[M] = Medium, 15"-22"

[L] = Large, 23"-29"

[XL] = Giant, 30" and above

**Flower Color:** After the description of each hosta, we have listed the color of the flower:

(L) = Lavender (P) = Purple (W) = White (NW) = Near white (B) = Blue

\* = New in 2022

\*\* = New in 2022, but not available until summer
